ALDI

At Aldi on Gogmore Lane, Chertsey, 10mm NatraTex Cotswold Heavy Duty was used to enhance 500 m<sup>2</sup> of access roads, blending functionality with aesthetic appeal. The decorative paving was applied to a seating area situated between the main street and the store, as well as portions of the car park, where it was seamlessly integrated alongside conventional tarmac. This durable solution provided a visually appealing and hard-wearing surface that complements the surrounding environment while meeting the demands of high-traffic areas.

If you would like to know how NatraTex® can enhance your scheme, email Fran today: [enquiries@natratex.co.uk](mailto:enquiries@natratex.co.uk)
