BURGESS HILL CENTRE FOR OUTDOOR SPORTS

 **NatraTex**[®]
Cotswold

Burgess Hill Centre for Outdoor Sports is a modern, multi-use facility designed to support community activity and wellbeing. NatraTex® Cotswold was selected to provide durable, attractive pathways and spectator areas that complement the surrounding landscape.

High footfall demanded a surface that is hard-wearing, slip-resistant, visually appealing, and able to integrate naturally with the open environment while maintaining a premium finish.

Solution

NatraTex® Cotswold combines performance with natural aesthetics. Its warm, buff-toned aggregate enhances the space while clearly defining pedestrian routes around the pitches.

If you would like to know how NatraTex® can enhance your Scheme, email today: enquiries@natratex.co.uk

- ★ Enhanced visual appeal with natural tones
- ★ Safe, slip-resistant pedestrian access
- ★ Durable, low-maintenance surface
- ★ Clear demarcation between play and spectator zones
- ✓ Natural, heritage-inspired finish
- ✓ High durability for recreational areas
- ✓ Smooth, comfortable surface for users
- ✓ Fast, efficient installation
