

Dove Academy underwent a regeneration project to transform its external areas into safe, engaging, and visually appealing spaces for pupils and staff. NatraTex® Cotswold was selected to deliver both aesthetic and functional benefits.

Challenge

Replace tired surfaces, improve safety, enhance visual appeal, introduce a natural finish, and deliver a durable low-maintenance solution.

Solution

NatraTex® Cotswold was installed across key areas, providing a natural stone effect surface with a seamless finish.

If you would like to know how NatraTex® can enhance your scheme, email: **enquiries@natratex.co.uk**
