LEGOLAND® WOODLAND LODGES

 **NatraTex**®
Cotswold

LEGOLAND® Lodges required a decorative, high-quality surfacing solution to complement themed accommodation areas while providing a natural contrast to the vibrant LEGO environment.

Solution

NatraTex® Cotswold was selected to deliver a natural buff-toned surface, creating a seamless, durable finish across pedestrian areas while enhancing the surrounding landscape.

Outcome

The completed installation delivers a durable, visually balanced surface that enhances the guest experience while maintaining long-term performance in a busy leisure environment.
