

Case study | Retail

YATE RETAIL PARK

 **NatraTex**[®]
Cotswold

Yate Retail Park required an effective solution to demarcate car parking spaces and access routes while enhancing the overall visual appeal of the external environment. The aim was to create a clear, durable and low-maintenance surface that improved traffic flow and customer safety.

- Clearly define car parking bays and routes
- Improve safety for vehicles and pedestrians
- Withstand high-traffic volumes
- Enhance the aesthetic appeal
- Provide a cost-effective alternative

If you would like to know how NatraTex® can enhance your scheme, email: **enquiries@natratex.co.uk**
